► Microphone - Tap this icon to go directly to the recording screen

# Project Management Home Screen

## Information Icon Menu

The Book and Target Language are in the title of the details with the rest of the details:

- ▶ **Project** - This will have the name of the book.
- ▶ **Target Language** - This is the common name followed by the language code in parenthesis.

The screenshot shows a mobile application interface with a dark blue background. At the top, the title '1 John - English' is displayed. Below it, the 'Project' is listed as '1 John (1jn)' and the 'Target Language' as 'English (en)'. The 'Translation Type' is 'Unlocked Literal Bible (ulb)' and the 'Unit' is 'chunk'. The 'Source Audio Language' is '- ()' and the 'Source Audio Location' is empty. At the bottom, there is a navigation bar with icons for a trash can, a microphone, a folder, a cloud, and a share icon.

Titus

1 John - English

Project 1 John (1jn)

Target Language English (en)

Translation Type Unlocked Literal Bible (ulb)

Unit chunk

Source Audio Language - ()

Source Audio Location

Tap anywhere outside of the white area to close the Information Menu.

# Project Management Home Screen

## Information Icon Menu

The Book and Target Language are in the title of the details with the rest of the details:

- ▶ **Translation Type** - This provide the information on the choice made for the project. (Regular, UDB, or ULB)
