

NEW USER SETUP

BTT Recorder v1.4

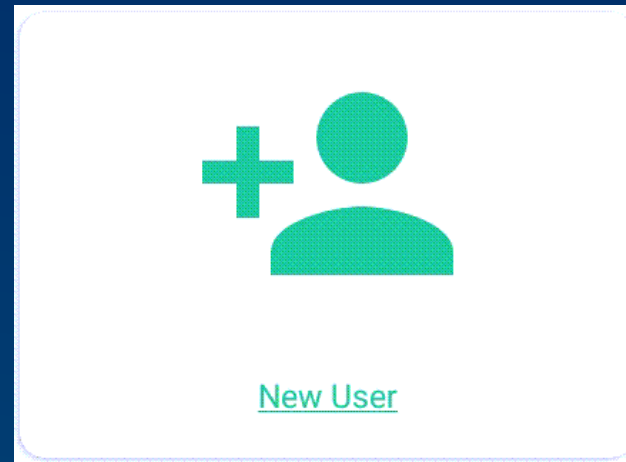

Open the Bible Translation Tools Recorder Program

Create a new user profile

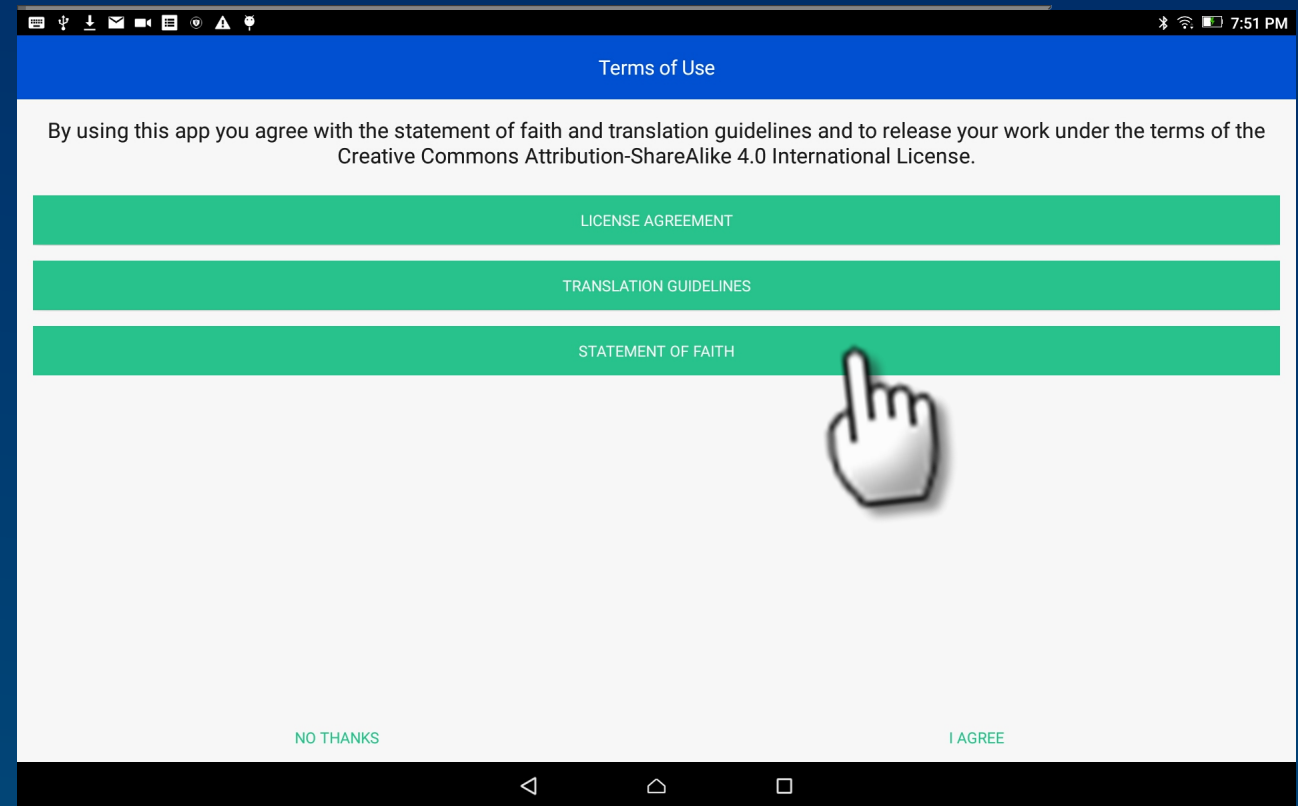

- ▶ To create a new User profile, tap on the 'New User' card.

Terms of Use

- ▶ Read, or have someone read to you, the three Terms of Use.
- ▶ Tap on each of the green bars.
- ▶ Read the content. You may need to scroll to see the entire contents of the 'Translation Guidelines' and the 'Statement of Faith'.
- ▶ Tap on 'Close' at the bottom of each of the windows.

Terms of Use

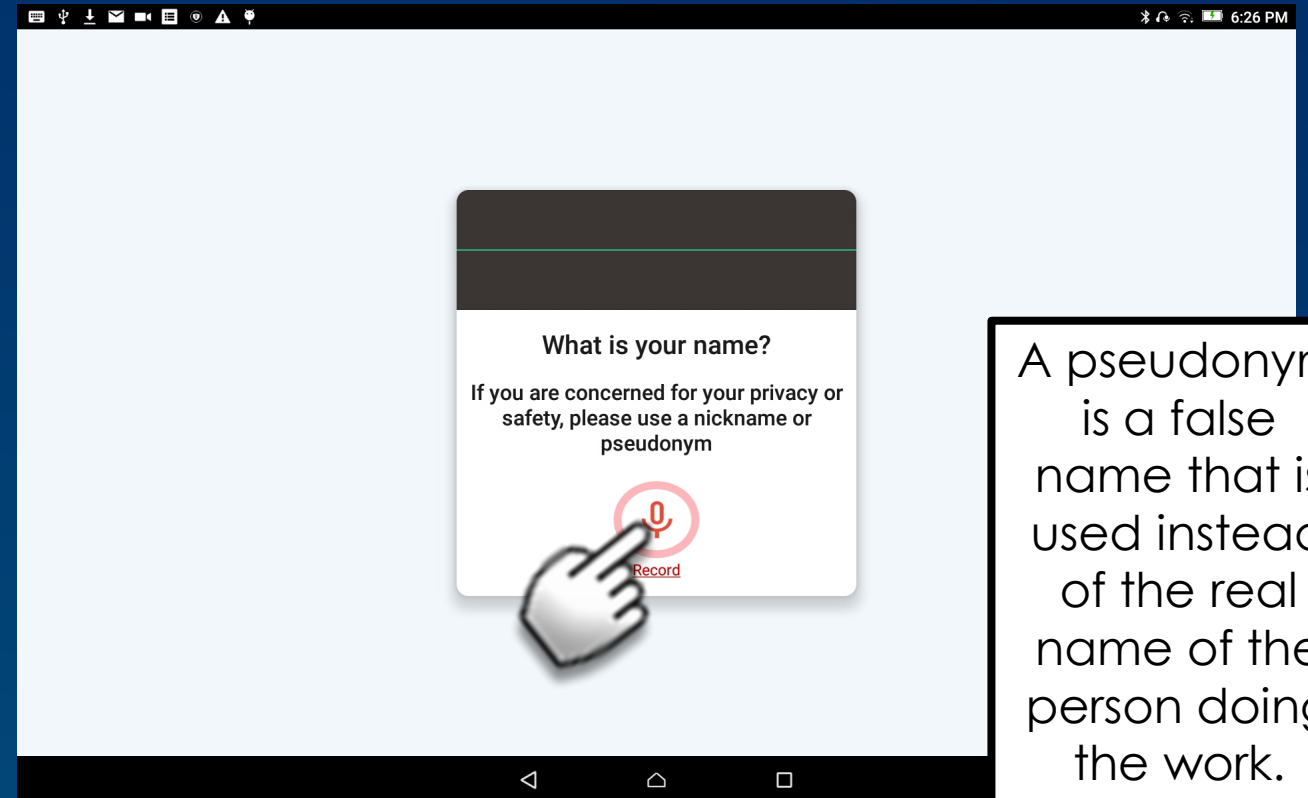

- ▶ Tap the green I AGREE link at the bottom of the window if you agree with all three statements.

Create the New User

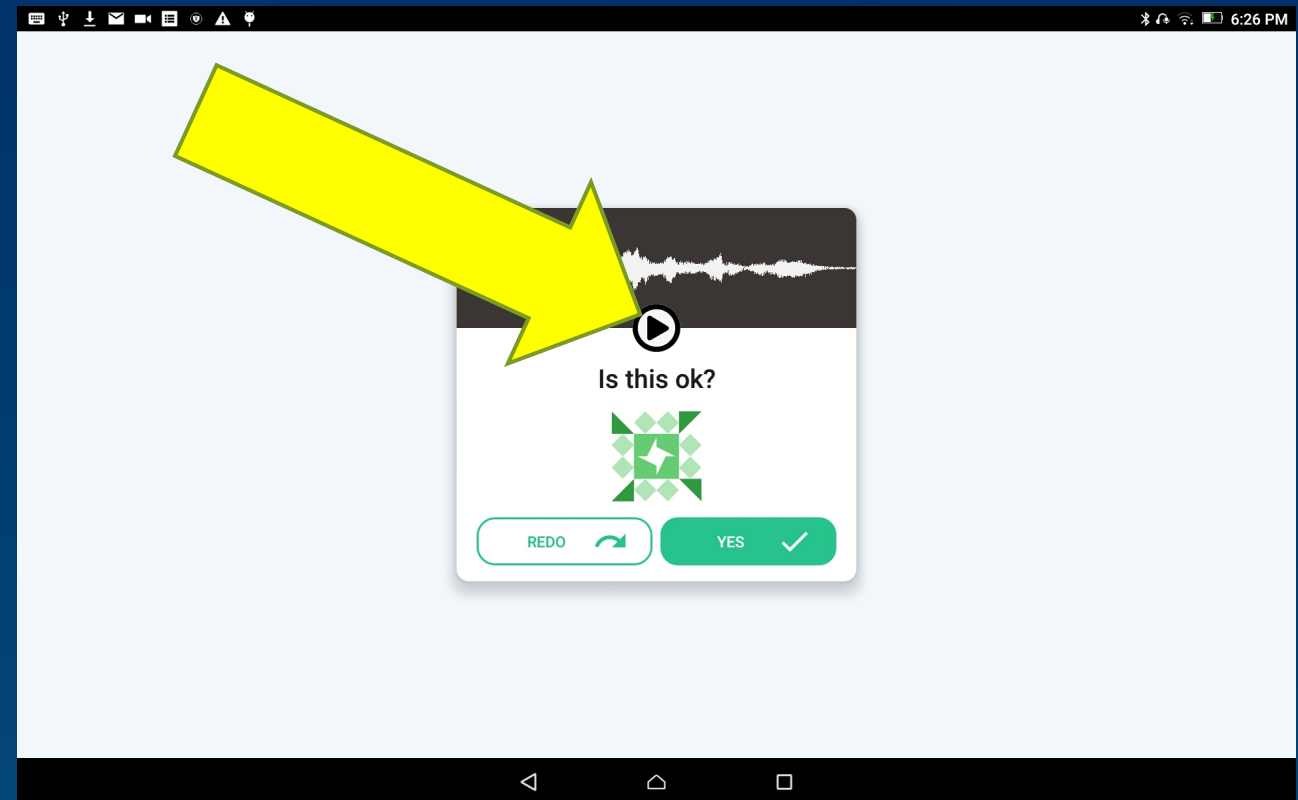

- ▶ Tap the Record icon (microphone) and record your name.
- ▶ You will need to record your name while the red circle is going around – 3 seconds.

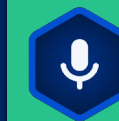

Create the New User

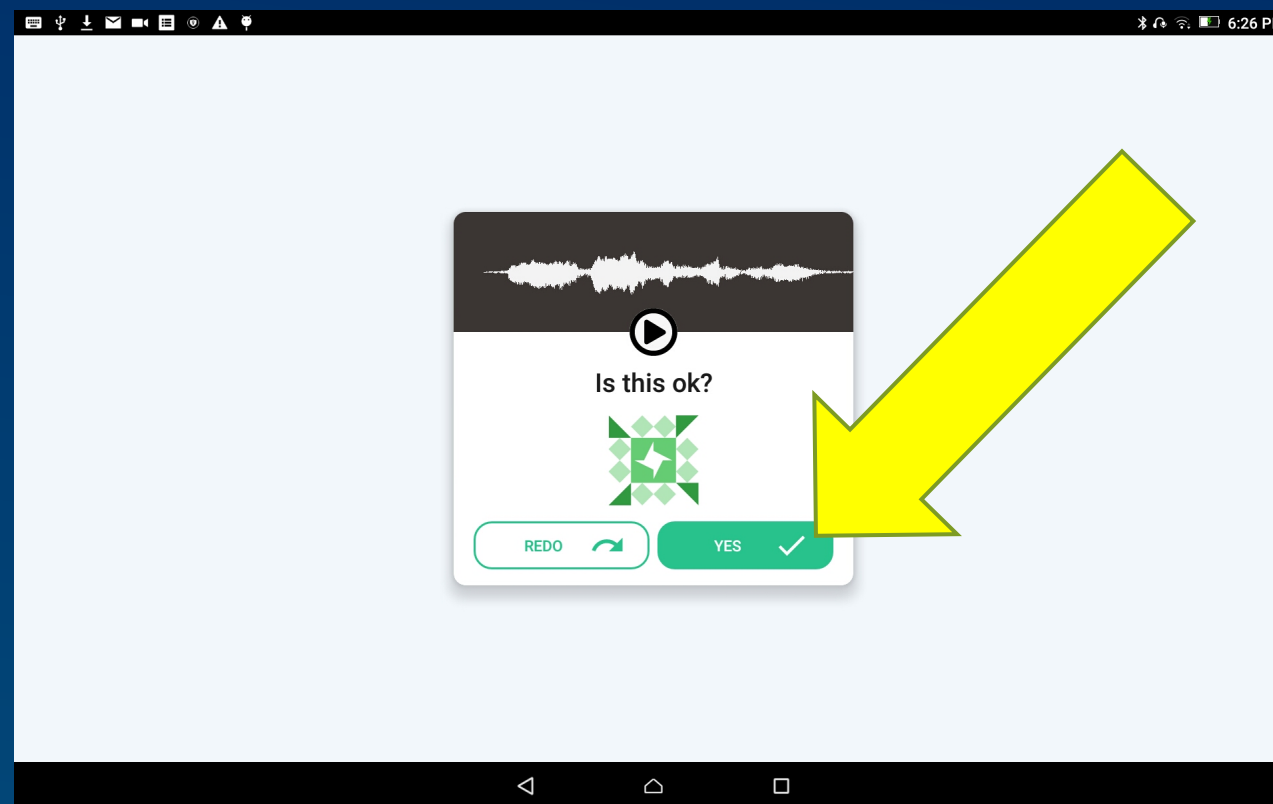

- ▶ Press the play button to listen to the recording.

Create the New User

- ▶ When you accept the recording - the opening recording screen opens, and you are ready to start a new project.

Several User Accounts

- ▶ When you return to the program later, you will see the list of Users created on the device.
- ▶ Tap on the User icon to open their work.
