

## Recording without Source Audio

1

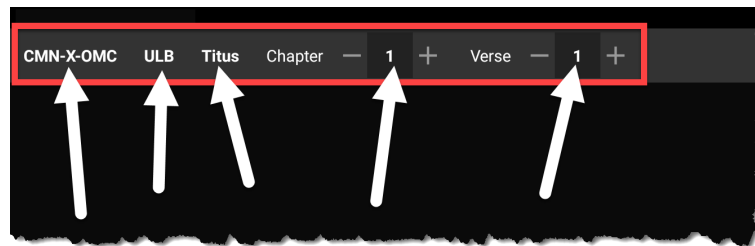

On the home screen, tap in the blue recording area.

2

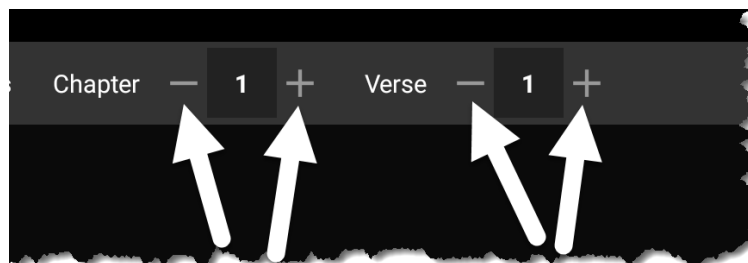

1. Check the information on the top gray bar:
  - Target Language
  - Project Type
  - Book
  - Chapter
  - Verse or Chunk

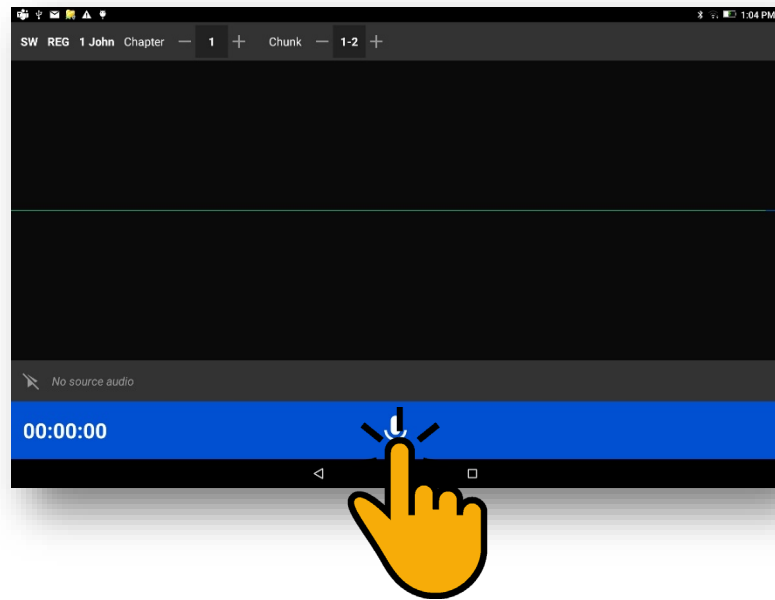

3

Use the + and – signs to select the chapter or verse/chunk number.

# 4

Tap the microphone to start recording.

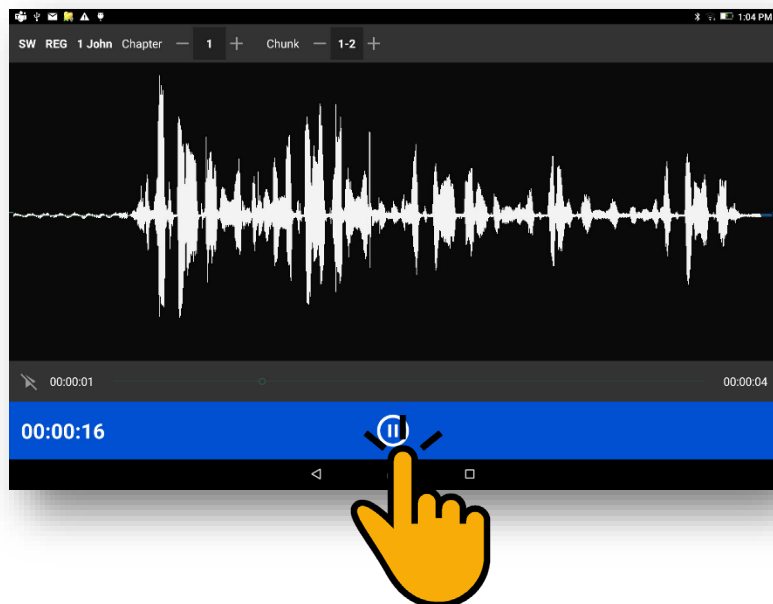

# 5

Record the translation of the verse or chunk.

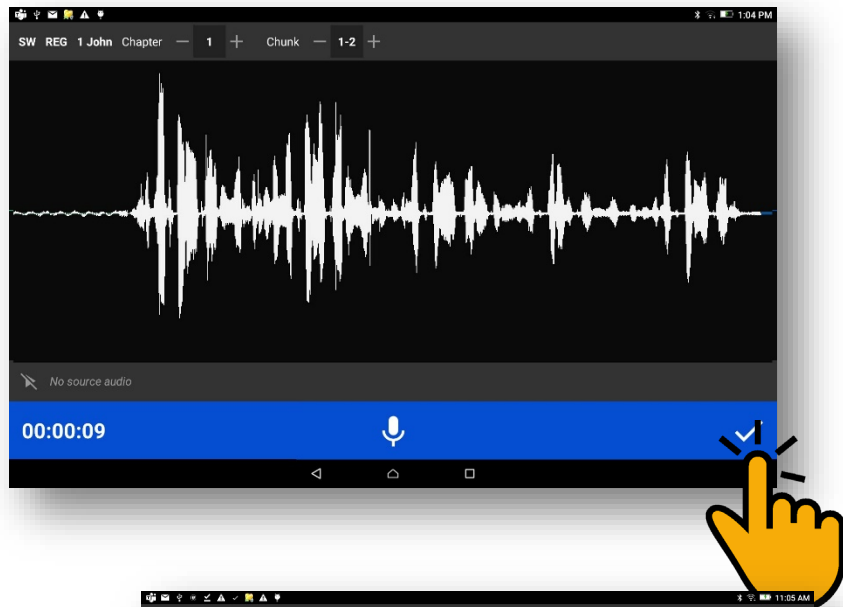

# 6

Tap the pause icon when done saying the verse/chunk.

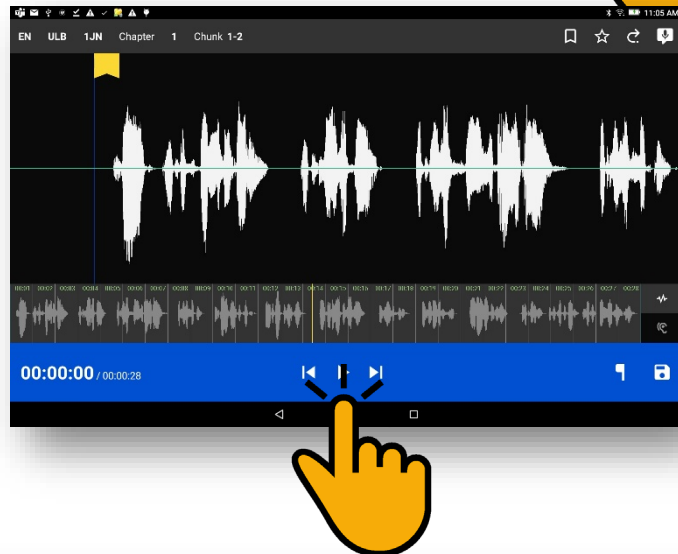

# 7

Tap the check icon in the bottom pink bar.

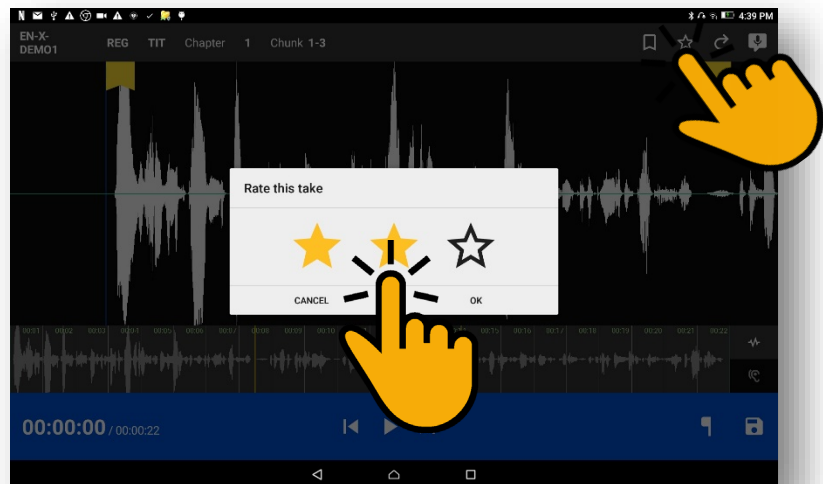

# 8

Listen to recording.

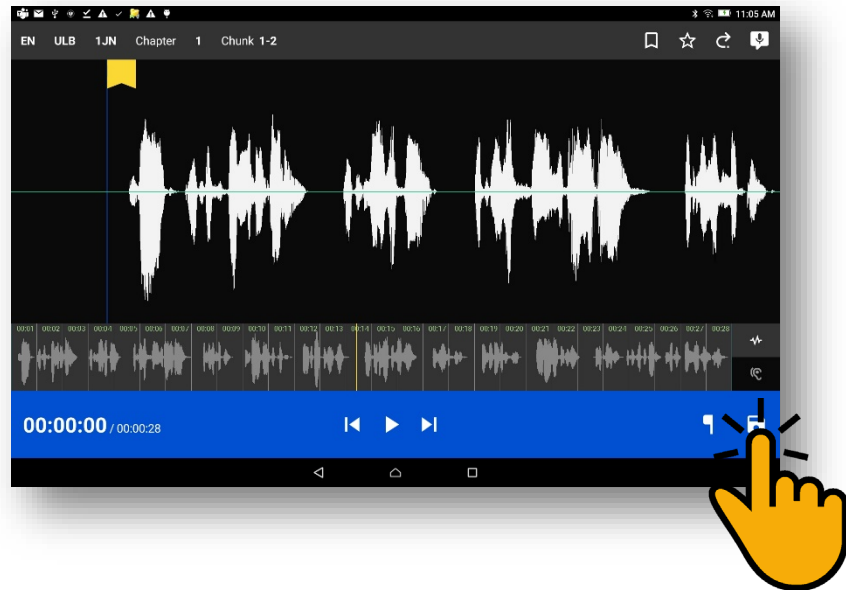

# 9

Rate with Stars.

# 10

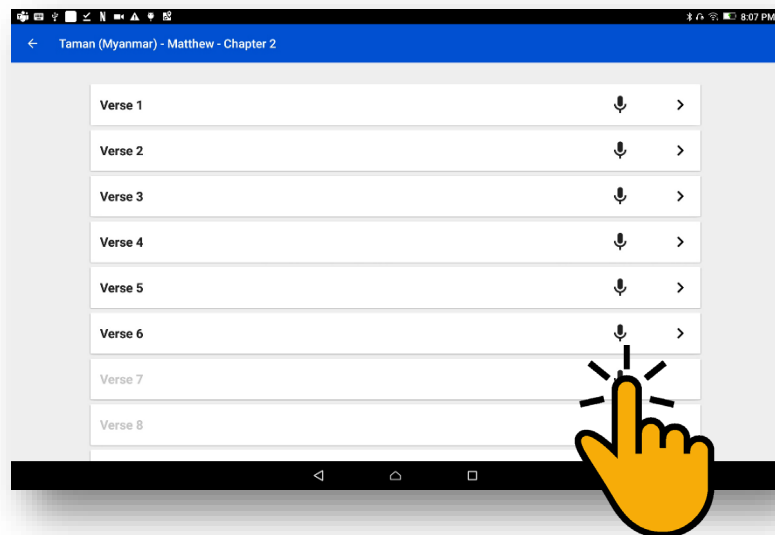

Save the recording.

# 11

The recording window closes, and the Project Management screen shows.

Tap the microphone icon of the next verse or chunk to record.
