Chunk 3 🎤

Chunk 6 🎤

To edit –
tap the
wave icon.

6

AAE ULB 3 John Chapter — 1 + Chunk — 1-4 +
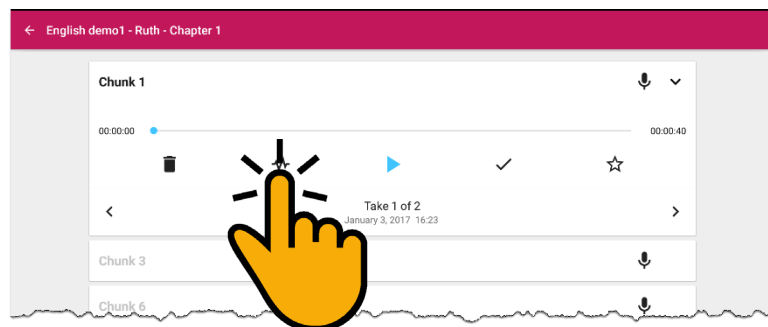

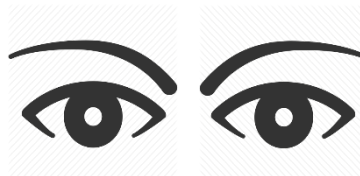

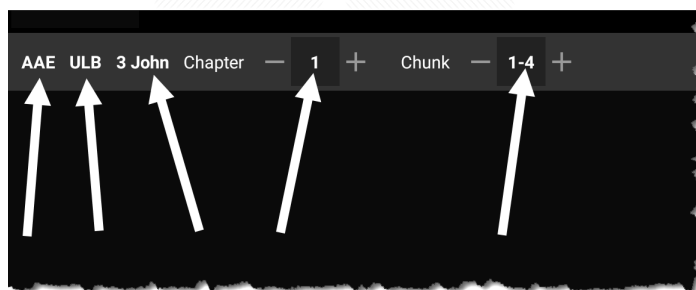

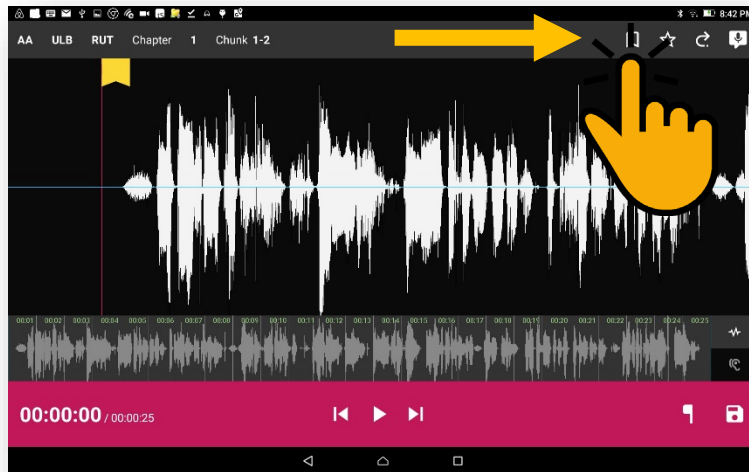

Check the information on the top gray bar:
- Target Language
- Project Type
- Book
- Chapter
- Chunk

7

Tap on the Flag icon in the top right menu.

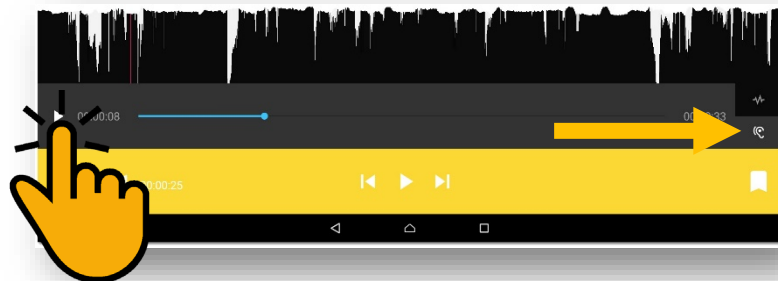

8

Tap the play arrow icon.
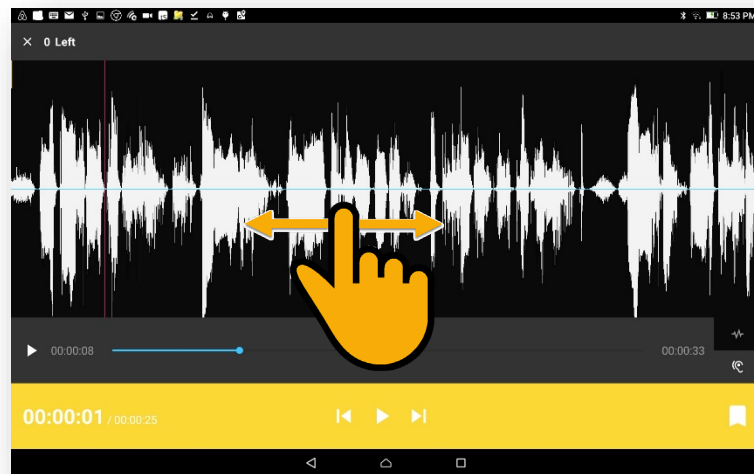

9

Listen to the recording

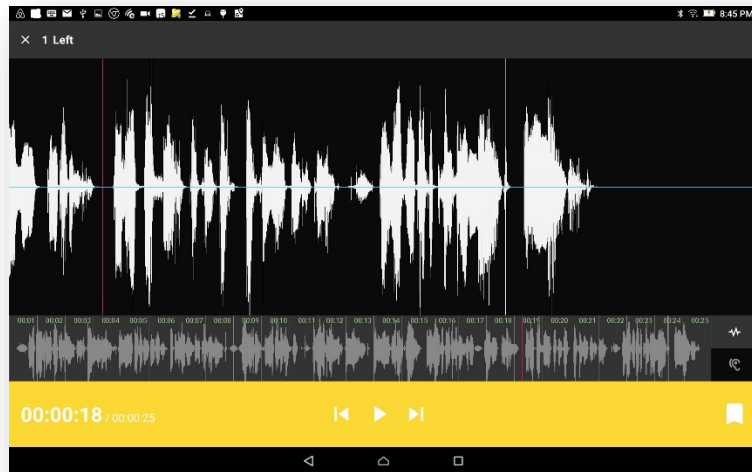

Listen to the source audio.

10

Find the part of the audio that needs the verse marker.

Swipe to move the audio clip along the time line.

11

Stop the recording.
Place the location of the
verse marker at the
vertical red line.

12

Tap the white flag icon in
the bottom yellow bar.

13

The verse flag appears
where the recording is
paused.

14

Click the Android back arrow to exit the verse tagging section.

15

Tap on the save icon to save and close the editor.
